

Lets Do It
Frank Sinatra

This is the Intro song to the TV series: The Secret Life of the American Teenager.

It s a really catchy tune so I decided to tab it. It s my first tab ever so please
The original song was actually written my Cole Porter in 1928, and is nothing like the version they play on the show.

Standard Tuning

(C) **Am** **F** **C**
Falling in love is such an easy thing to do,

Am **F**
Birds can do it, we can do it.
