Meditation
Frank Sinatra
G6 Gdim
In my loneliness,
          G6
When you re gone and I m all by myself,
  Bm7
           E7/-9
And I need your caress
Am7 Cm6
I just think of you,
                              E7/-9
      Bm7
And the thought of you holding me near,
       Am7
                          D7/9
Makes my loneliness soon disappear
G6
           Gdim
Though you re far away,
     G6
I have only to close my eyes,
   Bm7 E7/-9
And you are back to stay
Am7 Cm6
I just close my eyes,
                              E7/-9
      Bm7
And the sadness that missing you brings
       Am7
                                 D7/9
Soon is gone and this heart of mine sings
Cmaj7 Cm6
Yes I love you so,
                        Am7
   Bm7
                 E7/-9
                                   F#7/+5
And that for me is all I need to know
G6 Gdim
I will wait for you,
       G6
Til the sun falls from out of the sky,
   Bm7
                    E7/-9
For what else can I do
Am7 Cm6
I will wait for you
   Bm7 E7/-9
                             Am7
Meditating, how sweet life will be,
       Adim G6
When you come back to me
