I thought the cards were a frame-up; I never                      would try.  
Fm                      Bb7                      Eb                      Gdim                      Fm7                      Ab7                      G7+5  
But now I m taking the game up,                      and the ace of hearts is high.  
C                                      Dm                                      G7    C  
C+  
Things are mending now;              I see a rain - bow blending now;  
Am                                      D7                                      Dm7                      G                                      C  
We ll have our happy ending now taking a chance on love

Instrumental Break

Here I slip again, about to take that trip again  
Got that grip again, Taking a chance on love

Here I prove again, That I can make life move again  
I m in a grove again, Taking a chance on love

I walk around with a horseshoe, In clover I lie  
And brother rabbit of course you, better kiss your foot goodbye

On that ball again, I m riding for a fall again  
I m gonna give my all again, Taking a chance on love
