C **G**
The single saddest things i ever heard you say,
F **Am**
was on the day i told that i had to go away
Dm **G**
you said darling baby please if you really mean to leave
F **Am**
cant i just hold you a little while longer
C **G**
and the single hardest thing that i ever had to do
F **Am**
was take those arms from round me and walk away from you
Dm **G**
and i know i shouldn t have kissed you as i left
F **Am**
but darling i should have been stronger

F **G**
not with a bang but with a wimper
Am **C**
it wasn t hard but kinda simple
F **G**
three short steps from your bed to your door
C **C/B** **Am** **F**
darling i cant look you in the eyes now and tell you im sure,
G **C**
if i love you anymore

You see I ve given you my best, I ve given you these years,
of love and understanding of telephone calls and tears
but now the little things you do that used to make me love you
just cramps my heart a little I let it slip
we met this sorry end, from a picture perfect start
the romance and the running down of disconnected hearts
two people sad and free
you know they used to be more than just a pair of sinking ships

not with a bang but with a wimper
it wasnt hard but kinda simple
three short steps from your bed to your door
darling i cant look you in the eyes now and tell you im sure,
if i love you anymore

Fmaj9 **Am/ D**
im not drinking anymore im not drinking any less
Am7 **Dm7**
i cant do this anymore you know i did my best

F **G** **C C/B** **Am**
oh my darling i dont love you anymore,
 C C/B **Am**
i dont love you anymore
