

E	F	E	F
---	---	---	---

I know what she looks like, her face and her skin, her smell and the rest
E **F** **C** **Bb** **F**
 I know the feel of her soul but God help me I just cannot find her address
C **Gm** **F** **C** **Gm**
F
 Oh I ve how I ve tried but now all that is left is my old friend distance and
 sweet loneliness

Chorus: (different from the others)

C **Gm** **F** **C**
 There must be a better half, somewhere out there
Gm **F** **C**
 She lives a better life, a life that shares
Gm **F** **C** **Gm** **F** **C**
 Shares with a better man, a man who is there when she calls in the night
Gm F C **Gm F C** **Gm F C**
 Who says hey it s alright, hey it s alright, hey it s alright
 Ending: **Gm F C** X2
