Common Ground
Frank Turner

[Throughout the song, Frank hammers on and off the G string. I have put these hammers in brackets next to
their respective chords so you know what to do]

Cmaj7/G = 332000 (332200)
D/A = 554000 (554400)
Em/B = 775000 (775500)
Am7 = X02013
Bm = X24430

[Intro]

Cma7/G Cmaj7/G D/A Em/B

[Verse 1]
```
                     Cmaj7/G
If it were just the best of us
          D/A          Em/B
Against the rest of us
    Cmaj/G                          D/A       Em/B
It wouldn €™t even be an argument at all
             Cmaj7/G
It would be a victory or
        D/A          Em/B
A Spanish Civil War
       Cmaj7/G                                D/A       Em/B
But I m really not so sure that is the way it is at all
```

[Chorus 1]
```
Em/B         D/A          Cmaj7/G
If we are to find a way to live
Em/B           D/A          Cmaj7/G
Then we need to build ourselves a bridge
   Em/B          D/A            Cmaj7/G
And if we were to build ourselves that bridge
Am7                  D/A        Cmaj7/G
We could meet in the middle and forgive
```

[Verse 2]
```
                     Cmaj7/G
If all we are is dust to dust
          D/A          Em/B
Then in the end what €™s left of us
     Cmaj/G                          D/A       Em/B
Are the traces of the way we treat the ones we meet
```

```
             Cmaj7/G
And the ones who trouble us
          D/A          Em/B
The greatest test of us
Cmaj7/G                             D/A       Em/B
Seems to me to be the way we disagree

[Chorus 2]

Em/B         D/A          Cmaj7/G
If we are to find a way to live
Em/B             D/A           Cmaj7/G
Then we need to build ourselves a bridge
   Em/B           D/A           Cmaj7/G
And if we were to build ourselves that bridge
Am7                  D/A       Cmaj7/G
We could meet in the middle and forgive
Am7                  D/A       Cmaj7/G
Let €™s meet on the bridge and forgive
                                    Am7
(Let €™s meet on the bridge and forgive)
              D/A         Cmaj7/G
Let €™s meet on the bridge and forgive

(Let €™s meet on the bridge and forgive)

[Bridge]
Bm        Cmaj7/G      D/A
If there €™s hope to be found

We will find it in our common ground
Bm        Cmaj7/G        D/A
And if that ground is to be reached

There are walls around us to be breached
Bm        Cmaj7/G        D/A
And if that breach can be made

Drag the others through don €™t be afraid
Bm          Cmaj7/G        D/A
Or let our differences drag us down

I believe we €™ll find our common ground

[Outro]
G           D           C
I want us to find a way to live
G           D           C
Roll up your sleeves let €™s build a bridge
G           D           C
```

I want us to find a way to live
Am7   **D**   **C**
Let €™s meet on the bridge and forgive
                                                Am7
(Let €™s meet on the bridge and forgive)
                D   **C**
Let €™s meet on the bridge and forgive

(Let €™s meet on the bridge and forgive)
Am7   **D**   **C**
Let €™s meet on the bridge and forgive (common ground)
Am7   **D**   **C**
Let €™s meet on the bridge and forgive (common ground)

End on Am7
