A11 000042
Bm xx4454

Intro: D alternating bottom string D and top 3 strings of the chord, listen to the song to know what I mean!
Carries on throughout the song apart from with the Bm.

D

If I was to walk from where I am

To where you are right now

G

D

I d have to cross eight borders and three seas

A11

G

D

But that might show you what you meant to me

D

If I was to make this journey long

I d have to learn to swim

G

D

Much better than my doggy paddle is

A11

G

D

But then you might believe me when I say

Bm

G

The time will come when you and I

D

A11

Are not so far away

D

G

D

And I won t be singing this song on that day

D

I will set out for your island home

When my front crawl s up to scratch

G

D

And when I ve written my arrival song

A11

G

I m working on it now

D

It s almost done

Keep the D going until the end and then finish on bottom string D

I think thats pretty damn fine! Sounds good to me anyhow! :)
