Front Crawl Frank Turner Front Crawl by Frank Turner Tab by Joel Pitts DADGAD tuning Chords 000200 D G 020020 **A11** 000042 Bm xx4454 Intro: D alternating bottom string D and top 3 strings of the chord, listen to the song to know what I mean! Carries on throughout the song apart from with the Bm. D If I was to walk from where I am To where you are right now G р I d have to cross eight borders and three seas A11 But that might show you what you meant to me D If I was to make this journey long I d have to learn to swim G D Much better than my doggy paddle is A11 G D But then you might believe me when I say BmG The time will come when you and I D A11 Are not so far away D D G And I won t be singing this song on that day D I will set out for your island home When my front crawl s up to scratch G D

And when I ve written my arrival song

A11 G I m working on it now D It s almost done

Keep the D going until the end and then finish on bottom string D I think thats pretty damn fine! Sounds good to me anyhow! :) mojo91@hotmail.co.uk for corrections and stuffs!
