-INTRO-

G5
G5

-VERSE-

I ve got me a shovel
I m digging a ditch
D/F# And I m gonna fight for this four square feet of land like a mean old son-of-a-bitch

I ve got me a future
I m not stuck on the past
D/F# I ve got no new tricks, yeah, I m up on bricks, but, me, I m a machine and I was built to last

-Chorus-

I m trying to get better cause I haven t been my best
She took a plain black marker and started writing on my chest
G/F# Em She drew a line across the middle of my broken heart and said come on now let s fix this mess
We can get better
G5 (RIFF 1)
Because we re not dead yet

-VERSE-

They threw me a whirlwind
And I spat back a sea
D/F# I took a battering but I ve got thicker skin and the best people I know are looking out for me
So, I m taking the high road
My engine s running high and fine

D/F#

May, I always see the road rising up to me and my enemies defeated in the mirror behind

-Chorus-

C D/F# G5
 I m trying to get better cause I haven t been my best
 C D/F# Em
 She took a plain black marker and started writing on my chest
 C D/F# G5
 G/F# Em
 She drew a line across the middle of my broken heart and said come on now let s
 fix this mess
 C D/F#
 We can get better
 G5
 Because we re not dead yet

-BRIDGE-

G/D G/C#
 It s just a knot in the small of your back
 G/C G/A
 You can work it out with your fingers
 G/D G/C#
 It s just some numbers tangled up in your songs
 G/C G/A
 You can work it out with your fingers
 G/D G/C#
 It s just a tune that gets stuck in your head
 G/C G/A
 You can work it out with your fingers
 G/D G/C#
 It s just a simple --- missing from the past and your mess
 G/C Am D/F#
 A reminder you could always be a little bit better than this

-Chorus-

C D/F# G5
 Try and get better and don t ever accept less
 C D/F# Em
 Take your plain black marker and write this on your chest
 C D/F#
 Draw a line underneath all of this unhappiness
