[Verse]

A~ **E7sus4~**
Blacking in and out in a strange flat in East London
A/C#~ **Dsus2~**
Somebody I don t really know just gave me something
A~ **E7sus4~** **A/C#~** **Dsus2~**
To help settle me down and to stop me from always thinking about you
A~ **E7sus4~**
And you know you re life is heading in a questionable direction
A/C#~ **Dsus2~**
When you re up for days with strangers and you can t remember anything
A~ **E7sus4~** **A/C#~**
D E
Except the way you sounded when you told me you didn t know what I should do

[Chorus]

E7 **Dsus2** **E**
Well, it s a long road up to recovery from here
E7 **Dsus2>A/D>Asus2/D** **E**
A long way back to the light
E7 **Dsus2** **E**
A long road up to recovery from here
E7 **D**

A long way to making it right

[Verse]

And I ve been wakin in the morning just like every other day
And just like every boring blues song I get swallowed by the pain
So I fumble for your figure in the darkness just to make it go away
But you re not lying there any longer and I know that that s my fault
So I ve been pounding on the floor and I ve been crawling up the walls
And I ve been dipping in my darkness for serotonin boosters, cider and some kind
of smelling salts

[Chorus]

Well, it s a long road up to recovery from here
A long way back to the light
A long road up to recovery from here
A long way to making it right

[Bridge]

So on the first night we met, you said well darling lets make a deal
If anybody ever asks us, let s just tell them that we met in jail
And that s the story that I m sticking to like a stony faced accomplice
But tonight I need to hear some truth if I m ever getting through this
Yeah, you once sent me a letter that said if you re lost at sea
Close your eyes and catch the tide my dear and only think of me
Well, darling now I m sinking I m as lost as lost can be
And I was hoping you could drag me up from down here towards my recovery
