

St Christopher Is Coming Home
Frank Turner

The original capo is on the 2nd but put it where it suit you - I play on the 6th.

Strumming pattern is vaguely 1 2+3+4+ but you d have to listen to it as I m not great at picking them up.

Am **F** **C**
Monday morning, comes a-crawling in
G **Am**
From another weekend choked with cigarettes and sin
F
I ve been busy, so much lately
C **G**
That every time I get some time to spend
Am
I end up drunk or sleeping in
C
And I miss you, you re busy too
G **Am**
We call each other up when we re messed up
F
And say we ll meet in the New Year
C **G**
But it s perfectly clear that we ll do no such thing, come the spring

G **C** **F** **C**
But when the evening casts its shadows on the corners of my days
G **C** **F**
And I am old and I am settled in the place where I will stay
G **C** **F** **C**
When my wondering meanderings have finally reached their end
G **C** **F**
Yeah whatever else may be I will not forget my friends

Before my phone begins to ring with people asking where I am

And I can't suppress a smile, we talk a while

But chance are that I am far away and so I'm phased out of the plan

C

And that's how I miss out, on another night

Em

Am

The kind of night where nothing really happens

But everything goes down

And in the end I'm just a promise, to pick up the phone, when I'm in town
