D **G** **D** **Dsus2 D**
Well, the screen door slams, Mary's dress waves

A **G**
Like a vision she dances across the porch as the radio plays

A
Roy Orbison is singing for the lonely

D **G**
Hey, that's me, I want you only

D **A** **Asus4 A**
Don't turn me home again, I just can't face myself alone again

D **G**
So don't you run back inside, darling cause you know

D **Dsus2 D**
just what I'm here for

A **G**
And you're scared and you're thinking that maybe we're not that young anymore

A
Well, show a little faith, cause there's magic in the night

D **G**
You ain't a beauty, hey, alright

D **A** **Asus4 A**
Oh, and that's alright with me

D **Bm**
Now you can hide underneath the covers and study your pain

D **G**
Make crosses from your lovers and throw roses in the rain

D **A**
You can waste your summers praying in vain

G **A**

For a savior to rise from these streets

D **Bm**
Oh, I m no hero, and that s understood
D **G**
All the redemption I can offer, girl, is beneath this dirty hood
D **A**
We got a chance to make it good somehow
G **A**
Well, what else can we do now?

D **G** **D** **Dsus2 D**
Except roll down the window and let the wind blow back our hair
A **G**
This night s busted open, and these two lanes can take us anywhere
A
We got one last chance to make it real
D **G**
To trade in these wings on some wheels
D **A** **Asus2 A**
Climb in back, darling, now heaven is waiting down on the tracks

D **Bm**
So, oh-oh, come take my hand
D **G**
We re riding out tonight to case the promised land
D **A** **G**
Oh-oh-oh-oh, Thunder Road, oh, Thunder Road
A
Oh, Thunder Road

D **Bm**
Well it s lying out there like a killer in the sun
D **G**
And I know that it s late, but we can make it if we run
D **A**
Oh-oh-oh-oh, Thunder Road
G **A** **D** **Dsus2 D**
Sit tight, take hold, Thunder Road

G **A** **D** **Dsus4 D** **Dsus2 D**
Well, I got this guitar and I learned how to make it talk
G **A**
And my car s out back if you re ready to take that long, long walk
G **A**
From your front porch to my front seat
D **G**
The door s open but the ride ain t free
G* **Em7**
And I know you re lonely for things that I haven t spoken
A
But tonight we ll be free, all the promises will be broken

D **G** **D** **Dsus2 D**
 There were ghosts in the eyes of all the boys that you sent away
A **G**
 They haunt these dusty beach roads in the skeleton frames of burned out
 Chevrolets
A
 And they scream your name at night in the street
D **G**
 The graduation gown lies in rags at their feet
F#m
 And in the lonely cold before dawn
G
 You hear the engines roaring on
A
 But when you get to the porch they re gone
G
 On the wind
Em
 So Mary climb in
G **A** **D Dsus2 D**
 This is a town full of losers, I m-a pulling out of here to win
