This is the accompaniment for the SLEEP DIRT track on the SLEEP DIRT Album. It has several reefs that are repeated, but never in the exact same order, so I ve just laid them all down in sequence. You ll thus find many repetitions.

Those of you familiar with the track will catch up quickly. The rest of you - Get the Album!!!

I haven?t seen a version of this before so I hope this is a nice contribution. If any of you ever get the solo nailed down (Dah!) and transcribed (ya right!), please let me know.
