A D This is a song about the union, friends A D How they fucked you over and the way they bends A D The rules to suit a special few A D And you gets pooched every time they do

ADYou know we gotta stick togetherADYou know we gotta stick together

Once upon a time the idea was good If only they d a done what the said they would It ain t no better they s makin it worse The labor movement s got the Mafia curse

You know we gotta stick together You know we gotta stick together You know we gotta stick together You know we gotta stick together

Don t be no fool, don t be no dope Common sense is your only hope When the union tells you it s time to strike Tell the motherfucker to take a hike You know we gotta stick together You know we gotta stick together You know we gotta stick together You know we gotta stick together

(repeats)
