

You Didn't Try To Call Me
Frank Zappa

G **Am**
You didn't try to call me, why didn't ya try?
G **Am**
I am so lonely?
D **Em**
No matter who I take home, I keep on calling your name
A **D7**
And you, (I need you so bad), You're The One, babe

G **Am** **Bm** **Am**
Tell me, tell me who's lovin' ya now
G **Am** **Bm** **Am**
Cause it worries my mind and I can't sleep at all
G **Am** **Bm** **E**
I stayed home on Friday just to wait for your call
A **D7**
And you didn't try to call me

A **G** **Bm**
I can't say what's wrong or
A
what's right
A **G** **Bm** **A**
All ya gotta do is call me babe

(**A** **G** **Bm** **A**)

F#m **C#m** **D** **E**
You make me feel so excited girl
F#m **C#m** **D** **E**
I got so hung up on you from the moment that we met
F#m
That no matter how I try, I can't keep the tears
From running down my face
I'm all alone at my place

A **G**
You didn't try to call me
