You're probably wondering  
**Am** **F**  
Why I'm here  
**E**  
And so am I  
**F#m**  
So am I

**Em A Em C#m Em D C B A**

**E** **D** **A**

**D** **E** **D** **A**

**D** **E** **D** **A**  
That's just how much I marvel  
**D** **E** **D** **A**  
At the lameness on your face  
**E5 F#5 A5 Ab5 G5 F#5 A5 Abm**  
You rise each day the same old way  
**A** **G** **B** **A**  
And join your friends out on the street  
**A** **G**  
Spray your hair  
**B** **A**  
And think you're neat  
**A** **G** **B** **C#m**  
I think your life is incomplete  
**D** **C#m** **B** **A** **F#**  
But maybe that's not for me to say  
**G** **C** **A** **B** **A C D**  
They only pay me here to play
