Frankie Ballard

Capo 3

|**C**-**G**|**Em**-D| **C**-**G**|**D**|

Small town (**C**), young (**G**) love, big mistakes (**C**), same (**G**) old story
She (**C**) thought it was (**G**) best to just (**D**) run away
Hot head (**C**), fast (**G**) car, Joe (**C**) Cool, slow (**G**) southern drawl
And out (**C**) here nobody is (**G**) buyin that anyway (**D**)
These two (**C**) lost souls (**G**) on two (**C**) bar stools (**G**)
Share (**C**) troubles, (**G**) pain and pack of (**D**) cigarettes
She took (**C**) his (**G**) hand and off (**C**) they went (**G**)
Cuz she knew (**C**) what he (**G**) meant when he said (**D**)

(Chorus)
Baby we (**C**) both (**G**) got walls to (**D**) break through (**G**)
But you ain t (**C**) got wheels (**G**) and I sure ain t got (**D**) wings
But baby I (**C**) know (**G**) that I can (**Em**) save you (**D**)
If you can rescue me

|**C**-**G**|**Em**-D|**C**-**G**|**D**|

Well his arms (**C**) and her (**G**) touch, their (**C**) trust in (**G**) each other
They (**C**) both got something (**G**) they can t live without (**D**)
Some days (**C**) they (**G**) fight but those (**C**) nights they (**G**) love harder
And (**C**) harder (**G**) and still there ain t no (**D**) doubt
The hurt (**C**) gets (**G**) healed and (**C**) tears all dry (**G**)
He ll hold (**C**) her close (**G**) and (**D**) whisper one more time

Chorus
