Frankie Cosmos

[Verse]

C **Am** **C**
My phone will crash and I won't even care

Fmaj7 **C** **Fmaj7** **C**

Cause I know you are there, I know you are there

C **Am** **C**
My phone will die and I won't even cry

Fmaj7 **C** **Fmaj7** **C**

Cause I know you're nearby, I know you're nearby

C **Am** **C**
Throw my phone out I know you'll be around

Fmaj7 **C** **Fmaj7** **C**

You're easy to be found, I'm easy to be found
