## Blazing Saddles Frankie Laine

Blazing Saddles From the film of the same name Recorded by Frankie Laine

evansongs@blueyonder.co.uk

Am Em He rode a blazing saddle he wore a shining star Am F his job to offer battle to bad men near and far Em He conquered fear and he conquered hate he turned our night into day F G Am He made his blazing saddle a torch to light the way When outlaws ruled the west and fear filled the land BbCmA cry went out for a man with guts to take the west in hand They needed a man who was brave and true with justice for all as his aim Then out of the sun rode a man with a gun and Bart was his name Yes Bart was his name Am Em He rode a blazing saddle he wore a shining star Am His job to offer battle to bad men near and far Em F He conquered fear and he conquered hate he turned our night into day Am G F He made his blazing saddle a torch to light the way If there are any golden oldie classics (just lyrics and chords) that you would posting on this site please drop me an email.
