

Confusion Girl
Frankmusik

Frankmusik - Confusion Girl.

i preferred it when this guy used to be called Mr Mouth. this song s quite nice though.

Intro: **E, A, C#m, E**

chorus:

E
Confusion girl never gives or takes
A
Tries to cover up all of her mistakes
C#m **A**
Wanting to be someone else
E
Anything but herself

verse:

E
I know we had our ups and downs
A
At times I would act like the clown
C#m
But I never really knew you
B
I never really had a clue
E
and I would always be that kind of guy
A
who ran around for you cause that was fine
C#m
That wasn t enough for you
B
I never did the best I could

prechorus:

A **C#m**
So leaving me behind was your first step

A **F#m** **A B**
Now you try to move on and forget

chorus:

E
Confusion girl never gives or takes
A
Tries to cover up all of her mistakes

C#m **A**
Wanting to be someone else
E
Anything but herself
E
Cause you ll get the blame, you re part of her game
A
Gets one up, it s such a shame,
C#m **A** **E**
Shame, shame, shame, shaaa-aaame

verse (**E**, **A**, **C#m**, **B**)
You only call me up when you re alone
Not expecting my engaged tone
But this is what s meant to be
You re falling down away from me
Now my silence speaks a thousand words
You tore my world apart but you never really heard
All the tears you made me cry
Now it s time to say goodbye

prechorus
A **C#m**
And leaving you behind is my first step

A **F#m** **A B**
And how I try to move on and forget

chorus (slightly different):

E
Confusion girl never gives or takes
A
Tries to cover up all of her mistakes
C#m **A**
Wanting to be someone else
E
Anything but herself
E
And you ll get the blame, you re part of her game
D
Gets one up, it s such a shame,
C#m
Shame, shame, shame..
C **D** **E**
you re my confusion girl
D
you re under her spell
C#m
and you won t know till the very end
C **D**
this trick was just pretend

instrumental bit (play it like the chorus)
