

Fallen Heroes
Frantic Jack

(Verse 1)

F **C**
So here Iâ€™m standing
G **Am**
Crawling my way back home
F **C**
Thoughts are fading
G **Am**
To sometime when I felt warm

F **C**
Served you so well, entertained you
G **Am**
Gave it all to see your face
F **C**
I have fallen, I have died here
G **Am**
Just so I could leave this place

(Chorus)

F **C**
Fallen heroes, fallen idols
G **Am**
My shoes cannot be filled
F **C**
Fallen heroes, falling idols
G **Am**
Your soul cannot be killed

(Verse 2)

F **C** **G** **Am**
So now I lay here, safer beneath your feet
F **C** **G** **Am**
All my troubles fall away with each defeat
F **C**
Hold my head up, as my heart fails
G **Am**
To live up to what Iâ€™ve done
F **C**
Touch is so sweet, as I leave you
G **Am**
Will you remember me when Iâ€™m gone?

Chorus)

(Refrain)

F **C**
Did you love me, did you hate me
G **Am**
Did you live to watch me fall?
F **C**
Have I saved you, have I bored you
G **Am**
Am I greater and now Iâ€™m gone

(Chorus x2)
