Bm
Above the fold of covers
F#m
Ten thousand volts hit
A
When her arm fell accidentally...
Bm
But she didn t move it,
F#m
Despite the singing skin...
A D
You didn t move yours either did you though?

Bm A
Never knew anyone in love!,
Never knew anyone in love!,
Never knew anyone in love!,
C#m Bm
The way that you were...
Bm A
Never knew anyone in love!,
C#m Bm
The way that you were...

Bm
What other people call passion
F#m
Is one frame of your film,
A
One frame seen accidentally...
Bm
How could a love like this one
F#m
Remain among us?
A
