Bm
Above the fold of covers
F#m
Ten thousand volts hit
A
When her arm fell accidentally...
Bm
But she didn t move it,
F#m
Despite the singing skin...
A D
You didn t move yours either did you though?

Bm A
Never knew anyone in love!,
Never knew anyone in love!,
Never knew anyone in love!,
C#m Bm
The way that you were...
Bm A
Never knew anyone in love!,
C#m Bm
The way that you were...

Bm
What other people call passion
F#m
Is one frame of your film,
A
One frame seen accidentally...
Bm
How could a love like this one
F#m
Remain among us?
A

It was a love that had to...

D

Had to leave!

Bm A
Never knew anyone in love!,
Never knew anyone in love!,
Never knew anyone in love!,
C#m Bm
The way that you were...

Bm A
Never knew anyone in love!,
C#m Bm
The way that you were...

(intro)

Bm D
Don't be surprised if there's a book about it
C#m Bm
Based roughly on a film about it
? ?
Something on your TV about it...
F# E
And then (now), a song about it!...
(Bm)
All right!

Bm A
Never knew anyone in love!,
Never knew anyone in love!,
Never knew anyone in love!,
C#m Bm
The way that you were...

Bm A
Never knew anyone in love!,
Never knew anyone in love!,
Never knew anyone in love!,
C#m Bm
The way that you were...

????????????????
Never knew anyone!,
Never knew anyone!,
Never knew anyone!,
Never knew anyone!,
Never knew anyone
Bm
In love!...
