[Verse]

```

           G                Em
If I was there, but you d better explain
           Bm                D
That I have vendetta in my narrow bones
           Bm                D
And a vindictive eye
           Bm                D
Of my jealousy I have no control, no control

```

[Chorus]

```

Bb                G
I ll never get your bullet out of my head now, baby
Bb                G
I ll never get your bullet out of my mind
Dm                G
I ll never get your bullet out of my head now, baby
Dm                G
I ll never get your bullet out of my mind
G                F
How can I get your bullet out of my head now
                C                G
I have no control, but I try, yeah I try

(Então você volta a tocar o riff inicial duas vezes, e depois toca os mesmos acordes do verso)

[Verse]

So I d better explain that I have a
Red vendetta in my narrow bones
A wicked indicative eye
Of my yellow jealousy I have no control, no control

[Chorus]

Bb G
I ll never get your bullet out of my head now, baby
Bb G
I ll never get your bullet out of my mind
Dm G
I ll never get your bullet out of my head now, baby
Dm G
I ll never get your bullet out of my mind
G F
How can I get your bullet out of my head now
C G
I have no control, but I try, yeah I try

[Bridge] (3x)

G F C
Get out of my head, get out of my head now

[Outro]

G
Get out of my mind.
