

**Never See The Sun
Freaky Age**

Hi there!

I m sorry for not tabbing the solo now, but i ve i find some time i will put it online.

This was a request so i tried to work quickly.

Have fun!

Yannick

Intro:

Rhythm guitar:

C# , E (the one on the 7th fret on the A string) **B, A**

Lead:

```

E |-----|
B |-----|
G |-----6-6---6-6---6-6-----|
D |-----7-7-7-----|
A |-----|
E |-----|
X4

```

The same chords as the intro but this time the notes are separately played in an unknown order which you can easily figure out but is hard for me to tab.

```

C#      E          B          A
Tell me baby what it is that you think I am
C# E B A
C#      E          B          A
Tell me baby what it is that you think we are
C# E B A
C#      E          B          A
Turn your heads, in the beds, pretty anxious nights
C# E B A
C#      E          B          A
Eyes wide shut, my obsession for this town s not right

```

Chorus:

```

F#
Think I m happy
      A
Think I m in between
      E
I don t think I ll ever see the sun

```

If you know what I mean

```

X2
F# A E

```

This time the rhythm guitar plays the chords and the second guitar plays the notes separately as seen in the first verse.

C# E B A

Meet my friends on the corner by the cash machine

C# E B A

C# E B A

Hoping someday we could be forever in this dream

Chorus:

F#

Think I m happy

A

Think I m in between

E

I don t think I ll ever see the sun

If you know what I mean
