[Intro]

G F G F G F G F

[Verse]

G C
I drive a snow plough " Cumberland County
G D
Covered up with flashing lights and chains.
G C
I've got a contract with the Cumberland Township
G D G
To keep their county roads clean.
G C
I was born and raised up " Cumberland County.
G D
All my good friends " they live there.
G C
They flash their porch lights when I go by.
G D G
Lately I just don't care.

[Chorus]

C
And there's a curve out on the old town line.
G
It always drifts in exactly the same.
D
I can take it out with just one sweep "
G
My plough turned a particular way,
C
And it never stops snowin' in Cumberland County
G Em
So my work don't ever get done,
G
But lately I've been thinkin' of drivin' this snow plough
D G
Straight into the sun.

[Verse]

G C
Raised me some kids up " Cumberland County,
G D
But I don't see 'em much anymore.
G C
She said she was tired of the same old stories "

Tired of the sparks against the snow.
