For juvenile Hall

Now the building was built for just fifty two
 To one hundred and twenty now my how they grew
 Governor Foss Bryant now, what you gonna do
 When they can't find a bed for Juvenile Hall

I say Dade County Jail is nine stories tall now
 Air conditioned from wall to wall
 They're not even using three floors at all
 Still they can't find a bed for no they can't find a bed
 For Juvenile Hall

Now, I ve seen your courthouse with its big shiny doors
 I ve seen your church windows costin thousands or more
 But I ve never seen children sleepin on floors
 Still they can t flnd a bed for no, they can t find a bed
 For Juvenile Hall

Hey there, all you mothers
 Your good City Fathers aren t even good brothers
 When they can t find a bed for no, they can t find a bed
 For Juvenile Hall

I ve seen your Torch of Friendship in Bay Front Park
How can you speak of friendship with your chlldren in the dark
They got a park for the senior citizen s ball
They can t find a bed for.
No, they can t find a bed for Juvenile Hall

I say Dade County Jail...
Can t find a bed for Juvenile Hall
