d--2----2---2----2-----|
a--0----0---0----0-----|
e-----|
```

```
A           G       D       A
Walk me out in the morning dew my honey
A           G       D       A
Walk me out in the morning dew today
D                   F       G       A
I can t walk you out in the morning dew my baby
D                   F       G       A
Can t walk you out in the morning dew today
```

```
A           G           D       A
I thought I heard a young man mourning Lord
A           G           D       A
I thought I heard a young man mourning Lord
D                   F       G       A
You didn t hear no young man mourning Lord
D                   F       G       A
You didnt hear no young man mourn today
```

```
A           G       D       A
Where have all the people gone my honey
A           G       D       A
Where have all the people gone today
D                   F       G       A
Don t you worry bout those people today
D                   F       G       A
You will never see those people anymore
```

```
A           G       D       A
I thought I heard my baby crying mama
A           G       D       A
I thought I heard my baby crying mama
D                   F       G       A
You didn t hear no baby crying mama
```

D                    F    G        A  
You didn't hear no baby cry today

A                    G        D        A  
Walk me out in the morning dew my honey

A                    G        D        A  
Walk me out in the morning dew today

D                                    F        G        A  
Can't walk you out in the morning dew my baby

D                    F                    G        A    DaddE    A    E    A  
I'll never walk you out in the morning dew again
