The Keys In The Mail Box

CHORUS:

(D)Oh the keys in the mail box come on (G)in  
What I m (A7)setting here wishing dear  
I had your love (D)again  
And I ll never even ask you, where you (G)been  
Oh the (A7)keys in the mail box come on (D)in

VERSE 1:

(D)Oh jealous me, and careless you  
The (A7)odds were just too great  
And I couldn t take, those lonely nights  
You made me sit and (D)wait  
I thought I d seen the last of you  
When (A7)you walked out of sight  
Instead I see you in my dreams at (D)night

REPEAT CHORUS:    So (instead of Oh)

VERSE 2:

(D)Well I said I d rather live alone  
Than (A7)share your company  
And I said don t come around at all  
If you want, more than (D)me  
But sitting here alone, I can t (A7)deny this way that burns  
I d gladly take you back on any (D)terms

REPEAT CHORUS:

TAGG:

(G)OH the (A7)keys in the mail box come on (D)in
