so many little possibilities
C **Em**
right in front of us

Oh these possibilities
C **Em**
are written in the stars
G

Am **D**
and i can t help but think that possibly
there s possibility

Verse 2: (same chords as first)

Don't give me hope if there's nothing to this
Don't let me in if you're not there
what I'm feeling doesn't happen everyday
so baby please play me fair

and it feels like there's something more
than those crazy little crushes I've felt before
when you move in close I can feel the rush
and now we're so close we can touch

Chorus 2:

All these possibilities
so many little possibilities
right in front of us
close enough to touch
and far enough to have some time to see

All these possibilities
whoa these possibilities
are written in the stars
we are who we are baby
and I can't help but think that possibly
there's possibilities
