Trying To Tell You I Dont Know
Freedy Johnston

```
 [Intro]
| G   F  | C  G  | G      | G   F  | C   F  | F    C |

[Verse 1]
        G         F         C        G
Well I sold the dirt to feed the band
G        F    C          G
Falling right through my hands
        G        F       C       G
Yes I sold the map up to the sky
G       F   C    G                 Am        C
Falling down always trying (trying,     try ..... )

          Csus4    C        G              Am         C
Trying to wake up in your head (trying,    try ..... )
          Csus4        C        G          Am         C
Trying to cry with the red light on (trying,    try ..... )
          Csus4    C
Trying to tell you I don t
| G   F  | C  G  | G      | G   F  | C   F  | F    C |
  know

[Verse 2]
        G         F        C         G
Well I sold the dirt and bought the road
          G        F    C            G
Let me tell you right where we re going
        G        F         C         G
Yes I sold the house where I learned to walk
G       F   C    G                 Am        C
Falling down always trying (trying,     try ..... )

          Csus4     C       G              Am         C
Fifty bucks to use the van (trying,     try ..... )
          Csus4       C     G             Am         C
Trying to find your city, man (trying,    try ..... )
          Csus4    C     G            Am        C
Trying to get back my guitars (trying,    try ..... )
          Csus4    C
Trying to tell you I don t
| G       | G       | F       | C       | G       | G       |
  know
| F       | C       | G       | G       | C       | F       |

| G       | G       | G       | Am      | F       | F       |

| G    F  | C  G  | G         | G   F  | C   F  | F    C |
```

```
[Verse 3]
        G         F    C     G
Well I sold the dirt for a song
G        F    C      G
Bleeding on   every note
         G        F     C      G
Yes I sold the map up to the sky
G      F    C     G                  Am        C
Falling down always trying (trying,    try ..... )
        Csus4      C      G           Am       C
Trying to sing what I can t say (trying,    try ..... )
        Csus4      C    G            Am        C
Trying to throw my head away (trying,    try ..... )
        Csus4       C       G          Am        C
Trying to cry with the red light on (trying,    try ..... )
        Csus4    C      G             Am        C
Trying to tell you I don t know (trying,    try ..... )
        Csus4    C      G             Am        C
Trying to tell you I don t know (trying,    try ..... )
        Csus4    C      G             Am         C
Trying to tell you I don t know (trying,    try ..... )

| G     F | C    G  | G       | G    F | C    F | F    C |
```
