Generator First Floor
Freelance Whales

Really simple song.
But with annoying chords.
```
     C#  Bbm F#
e|-4---6---6--|
B|-4---6---6--|
G|-6---6---8--|
D|-6---8---9--|
A|-4---8---9--|
E|-4---6---6--|
```
That s how they play it
but I just throw a capo on the first fret and do a **C**, **Am**, and **F**.

It s just a **C#** in the beginning
C#-**Bbm**-**F#**-**C#**   x2

C#
We get up early just to start cranking the generator

Bbm
Our limbs have been asleep, we need to get the blood back in em

F#
We re finding every day, several ways that we can be friends

C#
eh eh eh eh eh eh eh eh eh eh eh eh eh eh eh

C#
We keep on churning and the lights inside the house turn on

Bbm
And in our native language we are chantin ancient songs

F#
Then when we quiet down, the house chants on without us.

C#

Yeah.
