Come here little sister, let s get you to bed

Bm

C#m

D

But oh you caught me sleeping in the power sockets

And oh you shot a glance like I was doing okay

A

But I am never on my way

Do you ever run with him in the morning

A

Think about jumping over the back fence

D

Seven different places need a bit of mending

A

All we use are eyes to fill in most the gaps

finger pick the chords a bit or just play softly:

Bm

C#m

D

But oh you caught me sleeping in the power sockets

A

You caught me mildewing the tiles of the bathroom

Bm

C#m

D

And oh you shot a glance like I was doing okay

A

But I am never on my way

A

The reason my molars are so broken

D

Is I spend too much time ghosting

With the likes of you and yours

A

The reason my insides are so swollen

D

Is I spend too much time ghosting

With the likes of you and yours

same pattern:

The reason my molars are so broken

Is I spend too much time ghosting

With the likes of you and yours (all we use are eyes)

The reason my insides are so swollen

Is I spend too much time ghosting

With the likes of you and yours (all we use are eyes)

Pretty straight forward song, but a ton of fun to play with the right people.
