Kilojoules by Freelance Whales

Not sure if it s 100% accurate but it sounds about right

G **C**

Well I ve been making some cold calculations regarding our body heat
It s not easy, believe me

G

You liken me to a vampire

C

My left hand was wearing fake plastic teeth, all winter
I ve taken you for all you were worth

C

D

Well I m afraid I m not qualified to do any of these things for you

G

Well I m afraid I m not gonna give you back any of those kilojoules

C

D

Late nights and weekends our hearts only walk slowly on the local track

G

So I ve arranged for your phobias to be performed by a string quartet

G

Shoot me one of those glances I need to interpret

C

I ve been feeling well-rested and healthy
