

When You Touch Me
Freemasons

D **G F**
Well you re boring me now

D **G F**
First you stay then you go

D **G F**
If I m kicking you out

D
Then it s time that you know

Oh Baby

D **G** **F**
I m so sick and tired of sitting talking to you

D **G F**
Yeah that s right

D **G** **F**
You never tell me anything that I want to know

D **G F**
About your life

D **G**
But baby when you touch me on my body

F **D**
I lose every feeling that I used to know

G
And baby when you touch me on my body

F **D**
I m losing my mind every time here I go

the rest of the song follows that pattern
