

When You Touch Me
Freemasons

Eb **G# F#**
Well you re boring me now
Eb **G# F#**
First you stay then you go
Eb **G# F#**
If I m kicking you out
Eb
Then it s time that you know

Oh Baby
Eb **G#** **F#**
I m so sick and tired of sitting talking to you
Eb **G# F#**
Yeah that s right
Eb **G#** **F#**
You never tell me anything that I want to know
Eb **G# F#**
About your life

Eb **G#**
But baby when you touch me on my body
F# **Eb**
I lose every feeling that I used to know
G#
And baby when you touch me on my body
F# **Eb**
I m losing my mind every time here I go

the rest of the song follows that pattern
