

**When You Touch Me**

**Freemasons**

Well you re boring me now  
E A G

First you stay then you go  
E A G

If I m kicking you out  
E A G

Then it s time that you know  
E

Oh Baby

I m so sick and tired of sitting talking to you  
E A G

Yeah that s right  
E A G

You never tell me anything that I want to know  
E A G

About your life

But baby when you touch me on my body  
E A

I lose every feeling that I used to know  
G E

And baby when you touch me on my body  
A

I m losing my mind every time here I go  
G E

the rest of the song follows that pattern
