Freestyle (Philippines)

[Verse]

```
Am                  Am7
   I ve been with you boy
       Em7                    FM7
   Three years is quite awhile
Am                  Am7
   But getting too sensual
     Em7                 FM7
   Is really not my style
Am             Am7
   You know I love you
         Em7                  FM7
   And I like it just like this
Am                   Am7
   But sometimes I feel like
              Em7              FM7
   Giving you more than just a kiss
```

[Pre-Chorus]

```
     G          FM7
   But baby it s wrong
