These are the last days we re roaming through the park
C G/B Am Am7/G F C
To count every blade of grass seems so much easier than to talk
C F C
This is the last time we re going for a walk
Am G/B C
With every step we make
Am G/B C
A memory will fade
Am G/B C G F C
And in the end we will not know, where we are... where we are

C F C
These are the last days we re spending on the porch
C G/B Am Am7/G F C
Listening to each other but don t get a word
C F C
This is the last time we re sitting on the bench
Am G/B C
The falling night covers all
Am G/B C
Blooming thoughts, a silent call
Am G/B C G F C
And in the end we will not know, where we are... where we are

[Solo]

These are the last days we re going for a walk
Staring at each other like we never shared our thoughts
This is the last time we re sitting beneath this tree
Our names grown in the bark
Indistinct and harmed
And in the end we both will know, where we are...

C Am F C

Hoffe, es ist gut geworden ;)
