```
        Ebm               Bsus2           F#                 C#sus4
When the weight of the world is on my mind and on my shoulders

          Ebm                 Bsus2         F#               C#sus4
When the burned and battered ground beneath my feet is getting colder
B                 C#11/B         Bsus2
That s when you call me close to you

When my heart feels like a stone and I m struggling on my own

Every day in the world on your own

When the battlefield is roaring with silence
