Reach Out Of The Darkness chords  
Friend and Lover (Jim Post)

**D**                    **A**                    **D**  
I think it s so groovy now,  
                         **A**                                    **D**  
that people are finally getting together.  
                         **A**                                    **D**  
I think it s wonderful, and how,  
                         **A**                                    **D**  
that people are finally getting together.

**A**                                    **D**  
I think it s so groovy now,  
                         **A**                                    **D**  
that people are finally getting together.  
                         **A**                                    **D**  
I think it s wonderful, and how,  
                         **A**                                    **D**  
that people are finally getting together.

**F**                                    **G**  
Reach out in the darkness.  
**F**                                    **G**  
Reach out in the darkness.  
**F**                                    **Am**  
Reach out in the darkness,  
                                         **D**  
and you may find a friend.

**G**                    **D**                    **C**                    **D**                    **G**  
I knew a man that I did not care for,  
                         **D**                                    **C**                                    **D**                    **G**  
and then one day this man gave me a call.  
                         **C**                                    **D**                                    **C**                                    **G**  
We sat and talked about things on our mind,  
                         **D**                                    **C**                                    **D**                                    **G**  
and now this man he is a friend of mine.

**F** **G**  
Reach out in the darkness.

**F** **G**  
Reach out in the darkness.

**F** **Am**  
Reach out in the darkness,  
**D**  
and you may find a friend.

**D** **A** **D**  
I think it s so groovy now,  
**A** **D**  
that people are finally getting together.

**A** **D**  
I think it s wonderful, and how,  
**A** **D**  
that people are finally getting together.

**A** **D**  
I think it s so groovy now,

that people are finally getting together.  
**A** **D**  
I think it s wonderful, and how,  
**A** **D**  
that people are finally getting together..

**G** **D**  
Don t be afraid of love.

(Don t be afraid)

**G**  
Don t be afraid,  
**D**  
don t be afraid to love.

(Listen to me.)

**G** **C G D**  
Everybody needs a little love.

(Don t be afraid. Don t be afraid to love.)

**G**  
Everybody needs somebody,  
**A** **D**  
that they can be thinking of.

(Now reach out.)
