Well, here you go. Very fun to play acoustically, pretty nifty song!
It just sort of fades out at the end, but meh.

Enjoy!

A

One day we re gonna live in Paris

B

I promise, I m on it

A

When I m bringing in the money

B

I promise, I m on it

A

I m gonna take you out to club showcase, we re gonna live it up

B

I promise, just hold on a little more

A

And every night we ll watch the stars

E

They ll be out for us, they ll be out for us

A

And every night, the city lights

E

They ll be out for us, they ll be out for us

A

One day we re gonna live in Paris

B

I promise, I m on it

A

I ll find you that French boy, you ll find me that French girl

B

I promise, I m on it

A

So go and pack your bags for the long haul, we re gonna lose ourselves

B

I promise, This time next year will be forevermore

A

And every night we ll watch the stars

E

They ll be out for us, they ll be out for us

A

And every night, the city lights

E

They ll be out for us, they ll be out for us

A

And every night we ll watch the stars

E

They ll be out for us, they ll be out for us

A

And every night, the city lights

E

They ll be out for us, they ll be out for us
