

White Diamonds  
Friendly Fires

standard tuning

**Ab** **Gb** **E**  
She was young in her mind but the days, they were old and tired  
**Ab** **Gb** **E**  
Along came love, she had yearned for so long, she felt on fire  
**Ab**  
She d do anything for him  
**Gb** **E**  
She d do anything for him

**Ab** **Gb** **E**  
He was close as the label in a shirt, never left her side  
**Ab** **Gb** **E**  
He would lace handkerchief in the rain if she ever walked by  
**Ab**  
he d do anything for her  
**Gb** **E**  
He d do anything for her

**Ab** **Gb**  
Hold back and kiss slow  
**Db** **E**  
The lights out in your cold heart now  
**Ab** **Gb**  
Hold back and kiss slow  
**Db** **E**  
The lights out in your cold heart now

**Ab** **Gb** **E**  
Stuck in a world that would pull them apart, and it cost in time  
**Ab** **Gb** **E**  
If only they knew that ahead loomed a cloud that was as black as night  
**Ab**  
She d do anything for him  
**Gb** **E**  
She d do anything for him

**Ab** **Gb** **E**  
They were strong, they could take on the world and put up a fight  
**Ab** **Gb** **E**  
And even the clouds couldn t stand in the way when they held on tight

**Ab**

He d do anything for her

**Gb** **E**

He d do anything for her

**Ab**

**Gb**

**Db**

**E**

Don t hold your breath too long

**Ab** **Gb**

**Db**

**E**

For white diamonds in the snow

**Ab**

**Gb**

Hold back and kiss slow

**Db** **E**

The lights out in your cold heart now
