C **G**
and I ll never see you again.
D **C**
I closed my eyes for a second and when they opened
G
You weren t there.
D
And the door shut shut I was vacuum packed,
C **G**
Shrink-wrapped out of air
D
And the spine collapsed and the eyes rolled back
C
To stare at my starving brain,

Chorus Chords:

G **C** **G** **D**
And fully clothed, I float away (I ll float away)
G
Down the Forth

C **G**
Into the sea, I think I ll save suicide for another day.

Verse 2: Use verse 1 chords

And I picture this corpse on the M8 hearse
And I half run away to sleep on a rolled up coat
Against the window with the strobe of the sun
And the life I ve led
Am I ready to leap is there peace beneath
The roar of the Forth road bridge?
On the Northern side there s a Fife of mine
and a boat in the port for me,

Final Chorus:

G **C** **G** **D**
And fully clothed, I float away (I ll float away)
G **C** (play this **C** on thru the next 5 lines)
Down the Forth, into the sea
I ll steer myself through drunken waves
These manic gulls scream it s okay
Take your life give it a shake
Gather up all your loose change
G C G C (to fade out)
I think I ll save suicide for another year.
