Cheers to the guy before me who got most of the progressions down. Main changes are in the chord structures, some chord placements and transitional chords, as well as some of the lyrics

Standard Tuning

Chords used:

EADGBE

Am:--002213

Cmaj:332010 (hammer on [HO] and off D string with second finger at appropriate times when playing)

Am2:-020010

C:---032013

F:---003210

G:---320013 (be generous with hammer-ons for the 6th G-string)

Intro: **C**

Verse 1 chords:

Cmj

Well the booze in my blood runs fast and loud

**F**

**C**

And my brain shouts down to my mouth, say whatever I think, say it at him

Cmj

And when the dam bursts open and you drowned out, boy

**F**

**C**

Better go outside and sit in your boat and wait til you get washed away

Interlude: **C** - Am2 - **Am** - **G**

Chorus:

**Cmaj**(HO)

**F**

**G**

Hold onto your thumbs, tighten your eye-li-eh-ids, uh-uh, uuuhuh

**Cmaj**(HO)

**Am**

**G**

Lock up your ears my dear Iâ€™m verbal when I am loaded

**Cmaj**(HO)

**F**

**G**

Duck under that desk, you should cover your ne-eh-eck, uh-uh uh-uuuh

**Cmaj**(HO)

**Am**

**G**

Thickin your skin as I begin to shoot myself in the foot again

Interlude: **Cmaj**

Verse 2: [use verse 1 chords]

And as the voice succumbs and my mouth goes numb  
I limp out to the sound of breaking of broken toes, a vandal spoke  
And in the stark and the sobering dry sunlight  
I will blink my eyes and hope the blink can erase  
All the shit that I said and diddddddddddehehehdididid.....(into  
interlude)

Interlude: **C - Am2 - Am - G**

Chorus

Bridge chords:

**C** And if I shoot at you, you should shoot at me too **G**  
**C**  
We can drown in the pools of the thick dark words we threw  
**G**  
And as my face turns white, I apologize I am sorry, its not your fault, its mine  
(right into chorus)

Chorus 3

Outro:

Play chorus while singing "œuhhhh oh oh oh, uhhh oh oh oh"•  
END on **Cmaj**
