 While you read to me from the right, act way on high, high

Well I can dip my head in the river  
Cleanse my soul...oh  
I ll still have the stomach of a sinner

Paid my fines, I ll be  
Gone before my deliverance  
Preach what you write, cause I don t mind

You re acting all holy, me, I m just full of holes, full of holes

Don t mind me lonely, spare me the brimstone

I won t ever be holy, thank God I m full of holes, full of holes
