Intro: **F - Dm - Bb5**

Verse 1 chords:

**F**

I cursed in church again, and the hand claps all fell quiet

**Dm** **Bb5**

I watched the statue of you cry

**F**

The candle is blown, so we start the black march home

**Dm** **Bb5**

Through a stale and silent night

Interlude: **F - Dm - Bb5**

Verse 2: [use verse 1 chords]

There s a funeral in your eyes and a drunk priest at your side

Staggering sermons never wash

There s no reproach from a lit touch paper both

Got stubborn marrow in bastard bones

Can we just get home, sleep this off

Throw some sorrys and then do it all again? Well.

Chorus 1 chords:

**F**

Folded arms clutch homicide

**Dm**

The bridge is out and the river is high

**Bb5**

This is a march death march, march death march

**F**

Yeah, there is no God, so I ll save my breath

**Dm**

Pray silence for the road ahead

**Bb5**

And this march death march, march death march

**F Dm**

Yeah, I went too far

Verse 3: [use verse 1 chords]

As we walk through an hour long pregnant pause

No grain of truce can be born

My bridge is burned, perhaps we ll shortly learn

That it was arson all along

Can we just get home, sleep this off

Throw some sorrys and then do it all again

Well like Bulver said, less heart and more head

So unfurrow that brow, and un-plant those seeds of doubt, oh

Chorus 2: [use chorus 1 chords]

Folded arms clutch on his side

Grit his head and the river is high

And this march death march, march death march

Ahh, there isn t a God, so I save my breath

Pray silence for the road ahead

And this march death march, march death march

The dead balloons and withered flowers

Sorry cannot save me now

And this march death march, march death march

Think I went too far

Outro: [use chorus 1 chords]

March death march, march death march

I went too far

March death march, march death march

Well, I went too far, I went too far

I went too far, I went too far

I went too far, I went too far
