Intro: [play intro/verse riff x2 with D chord]

Verse 1 chords: [use Intro/riff verse thru-out with D chord]

I went looking for a song for you
Something soft and patient to reflect it s muse
I took a walk with all my brightest thoughts
But the weather soon turned and they all ran off
Took to the ocean, in a boat this time
Only an idiot would swim through the shit I write
How can I talk of light and warmth?
I ve got a voice like a gutter in a toxic storm

Chorus 1 chords:

- Bm**
- A**

All the dark words pouring from my throat

G

D

Sound like an oil slick coating the wings we ve grown

Bm

A

There goes a love song drifting out to sea

G

D[with intro/verse riff]

I d sing along if I could hear over the oil slick

Verse 2: [use verse 1 structure]

So it came to pass and I came home

With four worn out limbs and not one love song

How predictable, this is all you got

Yet another selfish signpost to my ruin of faults

Chorus 2: [use chorus 1 chords]

All the dark words pouring from my throat

Sound like an oil slick coating the wings we ve grown

There goes a love song drifting out to sea

I d sing along if I could hear

Over the dark words pissing from my throat

Sounds like an oil slick coating the wings we ve grown

There goes a love song drifting out of my reach

G

Bm

Iâ€™d sing along if I could see past the oil slick

Outro: [use bridge chords with bridge riff]

There is light but there s a tunnel to crawl through

There is love but it s misery loves you

There s still hope so I think we ll be fine

In these disastrous times, disastrous times

There is light but there s a tunnel to crawl through

There is love but it s misery loves you

We ve still got hope so I think we ll be fine

In these disastrous times, disastrous times
