Intro: [play intro/verse riff x2 with D chord]

Verse 1 chords: [use Intro/riff verse thru-out with D chord]

I went looking for a song for you
 Something soft and patient to reflect it s muse
 I took a walk with all my brightest thoughts
 But the weather soon turned and they all ran off
 Took to the ocean, in a boat this time
 Only an idiot would swim through the shit I write
 How can I talk of light and warmth?
 I ve got a voice like a gutter in a toxic storm

Chorus 1 chords:

E

Sound like an oil slick coating the wings we ve grown

C#m

Verse 2: [use verse 1 structure]

So it came to pass and I came home

With four worn out limbs and not one love song

How predictable, this is all you got

Yet another selfish signpost to my ruin of faults

Chorus 2: [use chorus 1 chords]

All the dark words pouring from my throat

Sound like an oil slick coating the wings we ve grown

There goes a love song drifting out to sea

I d sing along if I could hear

Over the dark words pissing from my throat

Sounds like an oil slick coating the wings we ve grown

There goes a love song drifting out of my reach

A

C#m

Iâ€™d sing along if I could see past the oil slick

Outro: [use bridge chords with bridge riff]

There is light but there s a tunnel to crawl through

There is love but it s misery loves you

There s still hope so I think we ll be fine

In these disastrous times, disastrous times

There is light but there s a tunnel to crawl through

There is love but it s misery loves you

We ve still got hope so I think we ll be fine

In these disastrous times, disastrous times
