Set You Free Frightened Rabbit

Easy peasy song just four chords

A E F#m D

Lyrics

When I hold you baby Feel your heartbeat close to me Wanna stay in your arms forever Only love can set you free

Set you free and dance forever Set you free and forever

When I wake each morning And the storm beats down on me And I know we belong together Only love can set you free

Set you free and dance forever Set you free and forever

When we touch each other
In a state of ecstasy
Want this night to last forever
Only love can set you free
